

OPTION A

OLD REGIME

80C, 80D, HRA & Exemptions

VS

OPTION B

NEW REGIME

Concessional Slabs & Simplicity

WHICH ONE IS ACTUALLY BETTER FOR YOU?

Most taxpayers don't know until they calculate every detail.

YOUR PROFILE →

TAXWISE AI

→ YOUR ANSWER

Why Is Income Tax Still So Confusing?

Complex Slabs

70+ Deductions

Scattered Rules

Legal Jargon

Strict Deadlines

Regime Dilemma

First-Time Earner

RECENT GRADUATE

"I don't know where to start."

Salaried Employee

CORPORATE STAFF

"Which deductions apply to me?"

Freelancer / Gig

CONTRACTOR

"Which tax rules apply to me?"

Individual Taxpayer

GENERAL CITIZEN

"Am I missing any benefits?"

Different people. Different situations. One generic answer isn't enough. It must be PERSONALIZED.

Finding the Answer Today

CURRENT APPROACH

Information Abundance

- ✗ Information is scattered across portals
- ✗ Generic guidance without personal context
- ✗ Requires heavy manual legal interpretation

THE FUNDAMENTAL GAP

"People don't need MORE information. They need the RIGHT information for THEIR situation."

TaxWise AI bridges scattered legal text and personal clarity.

THE SOLUTION ARCHITECTURE

Meet TaxWise AI

From Complex Tax Rules → To Personal Answers

USER INPUT PROFILE

Personal Factors
